About the Author

Robert N. Anthony is the Ross Graham Walker Professor Emeritus of Management Control at Harvard Business School. Professor Anthony has been a director of Carborundum Company and Warnaco, Inc., both Fortune 500 companies; for 25 years he has been a trustee of Colby College, including five years as chairman of the board. He has consulted for many companies and government agencies, including General Motors Corp., AT&T, the General Accounting Office, and the Cost Accounting Standards Board. Among Professor Anthony's awards are the Distinguished Accounting Educator of the Year Award from AAA, Accounting Educator of the Year Award from Beta Alpha Psi, the Meritorious Service Award from the Executive Office of the President, the Distinguished Public Service Medal of the Department of Defense, Comptroller General's Award of the U.S. General Accounting Office and Distinguished Service Award of the Harvard Business School Association.

David Hawkins is a Full Professor at Harvard University, where he has been a member of the faculty since 1962. He would certainly be considered "old guard" at Harvard, where the accepted practice was to have a Harvard Ph.D., develop new courses, and eventually write innovative textbooks. Although this is no longer the norm at Harvard Business School, David maintains a strong reputation across the country as an innovative instructor and a good textbook author.
