Brianna (Celestial Passions) By Judy Mays

First in the Celestial Passions series.

Brianna did what any other decent human being would do—rescue a pair of aliens her boss was about to dissect, and get them back to their space ship. In the process, she was captured by an alien scientist and became a experiment herself—a sexual experiment. Captain Alalakan don al' Chardadon was not about to let Dr. Rodak don al' Bakom conduct his ridiculous sexual experiments on an inhabitant from a newly discovered world. Even if it meant he had to marry the Earth woman to protect her. Marriages were easily dissolved on his planet, and this alien was very beautiful. Besides, he wanted her — in his bed, on the floor, against the wall or anywhere else he could think of. Brianna had to choose—marry the captain or try to find another way to escape Bakom. Easy choice. Even though he was an alien, Char was the most desirable man she'd ever met. So Brianna found herself hurtling through space married to a very sexy alien — with a very flexible tail — from a planet where hedonism is the norm and there are three sexes — male, female and hermaphrodite. But Bakom wanted Brianna too, and is willing to do anything to get her back.

Editorial Review

Users Review

From reader reviews:

April Wages:

The reason? Because this Brianna (Celestial Passions) is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will zap you with the secret that inside. Reading this book close to it was fantastic author who else write the book in such awesome way makes the content inside of easier to understand, entertaining means but still convey the meaning totally. So , it is good for you because of not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of rewards than the other book have such as help improving your expertise and your critical thinking means. So , still want to hold up having that book? If I have been you I will go to the reserve store hurriedly.

Mildred Perkins:

Reading a book to become new life style in this calendar year; every people loves to examine a book. When you learn a book you can get a lot of benefit. When you read ebooks, you can improve your knowledge, simply because book has a lot of information into it. The information that you will get depend on what kinds of book that you have read.
