**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

### Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

### Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

### Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

--

*Essential Reading Skills* focuses on the four essential skill areas for college-reading success (active reading and thinking, vocabulary development, literal and critical comprehension, and organizational emphasis) and improves students' reading through concise instruction, and extensive practice and testing. Each of the eleven chapters focuses on a specific reading and thinking skill, and contains exercises that get students applying the learned skill to textbooks and ends with a

vocabulary enrichment exercise.
