### Italian Education By Tim Parks

Tim Parks' first bestseller, *Italian Neighbors*, chronicled his initiation into Italian society and cultural life. Reviewers everywhere hailed it as a bravissimo performance. Now he turns to his children -- born and bred in Italy -- and their milieu in a small village near Verona.

With the splendid eye for detail, character, and intrigue that has brought him acclaim as a novelist, he creates a fascinating portrait of Italian family life, at school, at home, in church, and in the countryside. This panoramic journey winds up with a deliciously seductive evocation of an Italian beach holiday that epitomizes everything that is quintessentially Italian. Here is an insider's Italy, re-created by "one of the most gifted writers of his generation" (Jonathan Yardley, *The Washington Post*)

### Editorial Review

From Publishers Weekly

In *Italian Neighbors*, British-born Parks gave a wry portrait of his adopted Italy, where he lives with his native-born wife Rita in a village outside Verona. This engaging sequel is an affectionate family album focusing on the experience of raising their son, Michele, and daughter, Stefania, combined with general observations on childrearing practices in Italy. Parks believes the typical Italian child is born into a tight social matrix of caution, inhibition and a suffocating awareness of everything that can go wrong. For Italians, "pregnancy is, inescapably, a pathology," and the intense mother-child relationship, suffused with eroticism, often produces young men with "an extraordinarily inflated, mother-fed opinion of themselves." Beyond parenting, Parks serves up pungent cultural commentary. His Italy is a paradox, where an ancient mentality steeped in peasant Catholic traditions coexists with a hedonistic society that eagerly embraces all things modern. Parks's wit, eye for telling incident and sensuous prose make this a captivating family portrait.

From [Booklist](#)

When expatriate novelist Parks wrote about living in Italy in *Italian Neighbors* (1992), he focused on the process of acclimation and his often tricky relationships with adults. Now, in another charming and fluidly composed volume of keen observations, amusing anecdotes, and creative musings, he considers the "world of children," especially of his own inventively bilingual son and daughter, who, Parks must concede, will grow up thoroughly Italian in spite of being half English. Childhood in Italy is a fecund topic for Parks, a perfect conduit for analyzing all the quirks of Italian society. As Parks attempts to define what exactly makes Italians Italian, he discusses everything from bureaucracy to lullabies, attitudes toward pregnancy and large families, food preferences, the worship of conformity, the "mama mystique," typical vacations, adultery, school events, and textbooks. Thus the concept of "Italian education" works on two levels. While Parks is describing how Italians teach each other to be Italian, he's also teaching us outsiders all about their richly textured culture. This is an intelligent and sunny book, glimmering with all the contradictions and joys of daily life. *Donna Seaman*

About the Author

Tim Parks is the author of seven novels: *Loving Roger*, *Home Thoughts, Tongues of Flame*, *Family Planning*, *Goodness*, *Juggling the Stars*, and *Shear*. He has won international acclaim for his work, including the Somerset Maugham, John Llewellyn Rhys, and Betty Trask awards. Born in Manchester, England, he studied English literature at Cambridge University and Harvard. In addition to his own award-winning books, Parks has translated the works of Moravia, Calvino, and Calasso. He lives just outside Verona, Italy, where he teaches English at the University Of Verona.

### Users Review

From reader reviews:

**Jillian Diaz:**

The book Italian Education can give more knowledge and information about everything you want. Exactly why must we leave the best thing like a book Italian Education? A number of you have a different opinion about book. But one aim in which book can give many facts for us. It is absolutely correct. Right now, try to

closer using your book. Knowledge or details that you take for that, you could give for each other; you are able to share all of these. Book Italian Education has simple shape nevertheless, you know: it has great and big function for you. You can appearance the enormous world by available and read a guide. So it is very wonderful.

### **Ann Goddard:**

Reading a e-book tends to be new life style in this era globalization. With reading you can get a lot of information that will give you benefit in your life. With book everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. Many author can inspire their own reader with their story or their experience. Not only the storyline that share in the ebooks. But also they write about the knowledge about something that you need illustration. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors on earth always try to improve their ability in writing, they also doing some study before they write to their book. One of them is this Italian Education.

### **Mildred Brummett:**

This Italian Education is brand new way for you who has curiosity to look for some information because it relief your hunger of knowledge. Getting deeper you in it getting knowledge more you know or else you who still having little digest in reading this Italian Education can be the light food for you because the information inside this specific book is easy to get through anyone. These books create itself in the form and that is reachable by anyone, yes I mean in the e-book application form. People who think that in guide form make them feel drowsy even dizzy this guide is the answer. So there isn't any in reading a reserve especially this one. You can find actually looking for. It should be here for you actually. So , don't miss the idea! Just read this e-book sort for your better life along with knowledge.

### **Ida Acord:**

As a scholar exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some publication, they are complained. Just small students that has reading's spirit or real their hobby. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring as well as can't see colorful pics on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Italian Education can make you really feel more interested to read.
