Shadows of Pearl (The Pearl Series) (Volume 2) By Arianne Richmonde

I am a fan of the 50 Shades of Grey series and the Bared to You series. As I liked both this one was a surprise and I loved it. I thought this was better than both of them put together. I found a new author who can't write fast enough. Arianne Richmonde is a new fave for me.

---Amazon reviewer

#2 in The Pearl Series.

Pearl Robinson feels like the luckiest woman in the world. In just a couple of months she is to be married to the man she's head over heels in love with: the wonderful and charismatic Alexandre Chevalier, fifteen years her junior and founder of the billion dollar social media sensation, HookedUp.

She is planning a white winter wedding in Lapland - the stuff that dreams are made of. Everything is perfect, not least her haute couture wedding gown designed especially for her.

But Pearl is convinced that Alexandre's sister and business partner, Sophie Dumas, has other, darker ideas.

And the shadows of Pearl's past come back to haunt her in ways she could never have imagined...

Erotic Romance - full-length novel. *Sexy strong language and erotic content.* Book 3, 4 and 5 are out on both paperback and kindle.

Editorial Review

Review

'I'm mad, I'm sad, I've been crying, I want to hit some characters in the book...well more than one person actually!'

This book was an AMAZING read for me. It started off where *Shades of Pearl* left off. The book grabbed me right from the start and I did not want to put it down. I personally love Arianne Richmonde's writing style. I think she did an excellent job with these characters and the story line was VERY original. I know without a doubt, that book 3 is a MUST READ for me! '

---*Swept Away By Romance*

' Just like everyone previously said, you HAVE to read the first book before this one! This book gets you right away, so you may not want to have anything planned before you begin! This book is just so good. It does have the twist that everyone talks about! It is one that ripped me apart!! I can not wait for the next book! So worth your time and money!'

---*C.Hard*

Let me say that *Shadows of Pearl* made for a FREAKING awesome story filled with so much drama...oh, how I loved the drama. It was a big page turner for me and when things got crazy oh how I got sucked in!

---*Momma's Books Blog*

The author made me feel like part of the book - I was hooked from the beginning of this one. It had twists & turns which you don't normally expect from an erotic fiction novel. Highly recommended. Buy the whole series, you won't be sorry. 5/5

---*Confessions of a Bookaholic*

I love this book and wish there was a 10 star rating. The author builds you up to THE MOST AMAZING CLIFF HANGER that I have ever read. This is not your typical 24 year old virgin story, 40 year old Pearl has real life experience, some good and some terrible.

The twists and turns that the author takes us on are out of this world, the places they visit, the conversations they have and the sex scenes, wholly cow!

This is a Must Read but make sure you have nothing else to do because you will not put down this book.

---*Moms-a-reader Books*

From the Author

Shadows of Pearl is the second novel in ***The Pearl Trilogy*** (The Pearl Series).

About the Author

ARIANNE RICHMONDE is a **USA TODAY** bestselling author of suspense and romance. Her Pearl series has sold more than half a million copies worldwide. Her stories are always character-driven and full of unexpected twists and turns. When not writing about the passions and fragilities of human nature, she loves to spend time with her husband and their animals, including a femme fatale Husky with one blue eye and one golden eye. Arianne's a chocaholic and sometimes sneaks off to sunny, exotic locations, all in the name of research.

Users Review

From reader reviews:

Dorothy Trimm:

Do you have favorite book? If you have, what is your favorite's book? Publication is very important thing for us to know everything in the world. Each reserve has different aim as well as goal; it means that guide has different type. Some people sense enjoy to spend their time and energy to read a book. They are reading whatever they consider because their hobby is actually reading a book. How about the person who don't like studying a book? Sometime, particular person feel need book whenever they found difficult problem or maybe exercise. Well, probably you should have this *Shadows of Pearl (The Pearl Series) (Volume 2)*.

Teresa Jones:

The book *Shadows of Pearl (The Pearl Series) (Volume 2)* make you feel enjoy for your spare time. You should use to make your capable a lot more increase. Book can for being your best friend when you getting strain or having big problem with the subject. If you can make studying a book *Shadows of Pearl (The Pearl Series) (Volume 2)* to get your habit, you can get a lot more advantages, like add your own capable, increase your knowledge about several or all subjects. You are able to know everything if you like open up and read a reserve *Shadows of Pearl (The Pearl Series) (Volume 2)*. Kinds of book are several. It means that, science reserve or encyclopedia or some others. So , how do you think about this publication?

James Peters:

Nowadays reading books be than want or need but also work as a life style. This reading routine give you lot of advantages. The huge benefits you got of course the knowledge the actual information inside the book this improve your knowledge and information. The data you get based on what kind of e-book you read, if you want send more knowledge just go with knowledge books but if you want sense happy read one along with theme for entertaining like comic or novel. The Shadows of Pearl (The Pearl Series) (Volume 2) is kind of reserve which is giving the reader unstable experience.

Sandra Jordon:

The book untitled Shadows of Pearl (The Pearl Series) (Volume 2) contain a lot of information on that. The writer explains your ex idea with easy technique. The language is very clear and understandable all the people, so do certainly not worry, you can easy to read that. The book was published by famous author. The author gives you in the new period of time of literary works. You can read this book because you can read on your smart phone, or device, so you can read the book throughout anywhere and anytime. In a situation you wish to purchase the e-book, you can available their official web-site in addition to order it. Have a nice go through.
