A woman's desire...

With dreams of a great romantic love, Abigail Carrington sails to England to marry the man she has loved since childhood, Michael Ingram, Marquis of Darfield. She believes her betrothed is a generous and noble man who has been longing for her. But the handsome man waiting for her at the altar is a dark, brooding stranger who rushes her into marriage, then abandons her at his country estate. Only the passion of Michael's kiss gives her hope that theirs can be more than a marriage of convenience.

A man's need...

With scandal shadowing his past, Michael, the Devil of Darfield, had no need for a wife. Remembering only the little hellion who made life miserable for him aboard her father's ship, he resents the agreement he made to marry her so he could save his ancestral home. Though determined to ignore her, he cannot stop thinking about his lovely violet-eyed bride. Her beauty tempts him. Her charm bedevils him. He tries to drive her away until he almost loses her. Then he vows to regain her love—before it is too late....
