The Gathering of the Lost: The Wall of Night Book Two (Wall of Night series) By Helen Lowe

“Strange magic, dark treachery and conflicting loyalties, set in a well realized world.”

—Robin Hobb, author of *Dragon Haven*

“[Lowe] reinvigorates the epic fantasy with appealing characters and a richly detailed world.”

—*Library Journal*

Sure to become an epic fantasy classic, Helen Lowe’s magnificent Wall of Night series is big, ambitious, and gorgeously drawn—a story of bravery, treachery, and cataclysm in a richly imagined world. *The Gathering of the Lost* is the second of four books set in a fantastic imperiled realm garrisoned by nine great Houses and protected from the terrible Darkswarm by the towering mountain range that gives the series its name. Supremely literate, brilliantly imagined and executed fantasy in the vein of Brandon Sanderson, Guy Gavriel Kay, and Barbara Hambly, *The Gathering of the Lost* is populated by a grand cast of unforgettable characters, some still holding to the beleaguered Wall, others scattered in their quest for the fabled Heir of Night, who vanished from their midst five years earlier.

Review

Helen Lowe's Wall of Night series has the potential to become a classic, right up there with the likes of George R.R. Martin's A Song of Ice and Fire . . . Anyone who loves to read fantastic fiction from a true talent should read this series."--SF Site

From the Back Cover

Garrisoned by the Nine Houses of the Derai, the towering mountain range called the Wall of Night is all that separates the people of Haarth from the terrible Darkswarm.

Five years have passed since the Wall was breached and the Keep of Winds nearly overrun. Five years since the Heir of Night, Malian, and her friend and ally Kalan went missing in the wild lands of Jaransor.

Now, in Haarth's diverse southern realms, events are moving. From the wealthy River city of Ij to the isolated Emerian outpost of Normarch, rumors of dark forces and darker magics are growing. As the great Midsummer tournament at Caer Argent approaches, Haarth will have one opportunity to band together against an enemy in which few believe . . . or be lost forever.
