## The Hunted By Elmore Leonard

“Wonderful...razor-sharp.”

—*Los Angeles Times Book Review*

“Excellent....A plot and a chase as good as anything he has ever written.”

—*Bergan Record*

In Elmore Leonard’s *The Hunted*, “crime fiction’s greatest living practitioner” (*Washington Post*) carries the action far from his usual Detroit, Miami, and Los Angeles milieus, all the way to the Middle East. There no lack of excitement and suspense—and the trademark Leonard dialogue—in this superior tale of a fugitive hiding under the radar in Israel, until a well-publicized Good Samaritan act attracts the unwanted attention of well-armed Motown mobsters who are now coming to get him. The author who introduced the world to U.S. Marshal Raylan Givens (in his novels *Pronto* and *Riding the Rap*, before the lawman became the star of the hit TV drama *Justified*), the Grand Master shows why the *Ft. Lauderdale Sun-Sentinel* calls him “the all-time king of the whack job crime novelists,” and goes on to say that “Elmore Leonard tops them all”...including John D. MacDonald, Dashiell Hammett, James M. Cain, Robert B. Parker, and quite possibly every major mystery writer the U.S. has ever produced.

From the Inside Flap

From Miami to Detroit to Hollywood, Elmore Leonard has carved out a classic turf--and populated it with unforgettable schemers, wiseguys, misfits, and hit men. In **The Hunted**, Leonard goes international, as a man named Rosen runs from some Motor City mobsters--all the way to Israel--and a U.S. marine finds a perfect little war. Al Rosen is lying in bed with a beautiful divorcée when the hotel around them bursts into flames--and Rosen's photograph is captured on the news wire. Suddenly lawyers, guns, and money are

coming after Al. So are two guys with bombs. Rosen knows his high life in the Holy Land is over. What he doesn't know is that he's about to meet the best friend a fugitive could ever have: a U.S. marine who has been looking for a future or a fight, and is willing to kill for both....

From the Back Cover

Al Rosen was doing just fine, hiding out in Israel—until he decided to play Good Samaritan and rescue some elderly tourists from a hotel fire. Now his picture's been carried in the stateside press, and the guys he's been hiding *from* know exactly where he is. And they're coming to get him—crooked lawyers, men with guns and money, and assorted members of the Detroit mob who are harboring a serious grudge. Playtime is officially over. Rosen's a million miles from home with a bull's-eye on his back, and his only ally is a U.S. embassy marine who's been looking for a war . . . and who's damn well found one.

## **Users Review**

**From reader reviews:**

**Trisha Sherman:**

What do you think about book? It is just for students because they're still students or that for all people in the world, the actual best subject for that? Only you can be answered for that issue above. Every person has several personality and hobby for each and every other. Don't to be pressured someone or something that they don't want do that. You must know how great along with important the book *The Hunted*. All type of book is it possible to see on many resources. You can look for the internet resources or other social media.

**James Stover:**

The feeling that you get from *The Hunted* will be the more deep you rooting the information that hide within the words the more you get serious about reading it. It doesn't mean that this book is hard to know but *The Hunted* giving you buzz feeling of reading. The author conveys their point in certain way that can be understood simply by anyone who read this because the author of this publication is well-known enough. That book also makes your current vocabulary increase well. Therefore it is easy to understand then can go along with you, both in printed or e-book style are available. We suggest you for having that *The Hunted* instantly.

**Michel Wilkerson:**

You can obtain this *The Hunted* by look at the bookstore or Mall. Simply viewing or reviewing it can to be your solve difficulty if you get difficulties on your knowledge. Kinds of this publication are various. Not only by simply written or printed but in addition can you enjoy this book by simply e-book. In the modern era like now, you just looking of your mobile phone and searching what their problem. Right now, choose your own ways to get more information about your e-book. It is most important to arrange yourself to make your knowledge are still change. Let's try to choose appropriate ways for you.

**Debra Ruff:**

As a student exactly feel bored to help reading. If their teacher inquired them to go to the library as well as to make summary for some reserve, they are complained. Just minor students that has reading's soul or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that studying is not important, boring and also can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this The Hunted can make you really feel more interested to read.
