Tonal Harmony: With an Introduction to Twentieth Century Music By
Stefan Kostka, Dorothy Payne

For nearly two decades *Tonal Harmony* has been the leading text for the two-year theory curriculum for music majors. Used at nearly 800 schools, *Tonal Harmony* has been consistently praised for its practicality and ease of use for student and instructor alike. The straightforward approach is supported by well-chosen examples and thoughtful exercises, and the total presentation is compatible with differing teaching styles and theoretical points of view. In addition, a set of outstanding ancillaries, which include a collection of audio examples on CD (for both the text and workbook) and an extensive Instructor's Manual, round out the comprehensive teaching package.
