Border Ecologies: Hong Kong's Mainland Frontier By Joshua Bolchover, Peter Hasdell

Hong Kong's border with Shenzhen is dissolving. By 2047, the border will likely not exist. Integration with the Mainland will remove distinctions created by the "One Country Two Systems" policy. The book explores this unique border ecology. Design strategies inserted within this ecology promote alternate forms of development. The example widens the discourse on borders to raise critical issues that impact the contemporary city.
