Camel in Action By Claus Ibsen, Jonathan Anstey

Apache Camel is a Java framework that lets you implement the standard enterprise integration patterns in a few lines of code. With a concise but sophisticated DSL you snap integration logic into your app, Lego-style, using Java, XML, or Scala. Camel supports over 80 common transports such as HTTP, REST, JMS, and Web Services.

Camel in Action is a Camel tutorial full of small examples showing how to work with the integration patterns. It starts with core concepts like sending, receiving, routing, and transforming data. It then shows you the entire lifecycle and goes in depth on how to test, deal with errors, scale, deploy, and even monitor your app—details you can find only in the Camel code itself. Written by the developers of Camel, this book distills their experience and practical insights so that you can tackle integration tasks like a pro.

Purchase of the print book comes with an offer of a free PDF, ePub, and Kindle eBook from Manning. Also available is all code from the book.

What's Inside

- Valuable examples in Java and XML
- Explanations of complex patterns
- Error handling, testing, deploying, managing, and running Camel
- Accessible to beginners, useful to experts

Editorial Review

About the Author

Claus Ibsen is a principal engineer working for FuseSource specializing in the enterprise integration space. He has worked on Apache Camel for the last three years where he is a a PMC member, a key contributor, and heads the development and roadmap. Claus lives in Sweden near Malmo with his wife and dog.

Jonathan Anstey is a software engineer with varied experience in manufacturing control systems, build infrastructure, and enterprise integration. Lately, Jon has been working on Apache Camel at Progress Software Corporation. When he is not hacking on Camel he likes to spend time with his wife and daughter in St. John's, Newfoundland.

Users Review

From reader reviews:

Bobby Blade:

In this 21st one hundred year, people become competitive in each way. By being competitive right now, people have do something to make these people survives, being in the middle of typically the crowded place and notice by means of surrounding. One thing that sometimes many people have underestimated it for a while is reading. Yep, by reading a publication your ability to survive enhance then having chance to stay than other is high. For yourself who want to start reading a book, we give you that Camel in Action book as starter and daily reading publication. Why, because this book is usually more than just a book.

Carmela Randle:

Nowadays reading books are more than want or need but also become a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge the particular information inside the book that will improve your knowledge and information. The information you get based on what kind of e-book you read, if you want send more knowledge just go with education books but if you want experience happy read one together with theme for entertaining such as comic or novel. The actual Camel in Action is kind of publication which is giving the reader unstable experience.

Audrey Spence:

Information is provisions for people to get better life, information these days can get by anyone at everywhere. The information can be a knowledge or any news even restricted. What people must be consider if those information which is from the former life are challenging be find than now's taking seriously which one is acceptable to believe or which one the resource are convinced. If you obtain the unstable resource then you buy it as your main information we will see huge disadvantage for you. All of those possibilities will not

happen in you if you take Camel in Action as your daily resource information.

Antoine Anderson:

Typically the book Camel in Action will bring someone to the new experience of reading the book. The author style to explain the idea is very unique. Should you try to find new book to read, this book very acceptable to you. The book Camel in Action is much recommended to you to learn. You can also get the e-book in the official web site, so you can easier to read the book.
