### Editorial Review

#### Review

"One of the great strengths of James M. Cox's challenging study lies in his demonstration that Mark Twain' was not the writer's alter ego but a gesture, the meaning of which was to continue emerging through Samuel Clemens's life'. . . . On the identity of Mark Twain' and on other matters of primarily biographical interpretation, few scholars have been so illuminating."—*South Atlantic Quarterly*

"Professor Cox's study of Mark Twain and his writings is a major contribution to our understanding of America's most popular writer. On such perplexing biographical questions as Olivia Clemens's influence upon her husband's work, Cox is clear and convincing. On such thorny critical questions as the ending of *Huckleberry Finn*, the authority of the printed version of *A Mysterious Stranger*, and the appropriate form of presentation for the *Autobiography*, his opinions are judicious and authoritative. His book, however, deserves even higher praise, for it is something more than a study of one author; it is a model discussion of the psychology of humor. Its distinctions between humor and satire and its clarification of the relation between the humorous and what critics unthinkingly call the serious' will be of interest and value to every student of the comic."—*Virginia Quarterly Review*

"This is the kind of book that reads as if the subject had scarcely been touched, a book that is at once wholly basic and wholly new."—*New England Quarterly*

"Mr. Cox with few false steps has followed a difficult path to its inevitable conclusion, and has produced the most thoughtful—though serious—and most thought-provoking study of Mark Twain of his generation."—*Southern Review*

"*Mark Twain: The Fate of Humor* is . . . a model of literary criticism: sensitive, judicious, beautifully written. . . . He joins that small group of writers—Paine, Brooks, DeVoto, Smith, Andrews, Blair, Kaplan—who have contributed most to our understanding of Mark Twain."—*Nineteenth-Century Fiction*

#### From the Publisher

For this edition of *Mark Twain: The Fate of Humor*, the author has written a new introduction showing how and why Mark Twain remains a central figure in American life; he has also appended an essay disclosing why *Adventures of Huckleberry Finn* will always be a hard book to take.

## About the Author

James M. Cox is Professor Emeritus of English at Dartmouth College. He is the author of *Recovering Literature's Lost Ground: Essays in American Autobiography* and the editor of the Penguin edition of Mark Twain's *Life on the Mississippi*.

The **Mark Twain and His Circle Series**, edited by Tom Quirk and John Bird

## Users Review

### From reader reviews:

#### Charles Greiner:

Here thing why that Mark Twain: The Fate of Humor are different and trustworthy to be yours. First of all reading through a book is good nevertheless it depends in the content of it which is the content is as yummy as food or not. Mark Twain: The Fate of Humor giving you information deeper and in different ways, you can find any book out there but there is no guide that similar with Mark Twain: The Fate of Humor. It gives you thrill looking at journey, its open up your own personal eyes about the thing that happened in the world which is maybe can be happened around you. It is possible to bring everywhere like in park, café, or even in your approach home by train. When you are having difficulties in bringing the printed book maybe the form of Mark Twain: The Fate of Humor in e-book can be your option.

#### Randy Gable:

Nowadays reading books become more and more than want or need but also be a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge the particular information inside the book that improve your knowledge and information. The data you get based on what kind of reserve you read, if you want have more knowledge just go with education books but if you want feel happy read one along with theme for entertaining including comic or novel. Often the Mark Twain: The Fate of Humor is kind of reserve which is giving the reader unstable experience.

#### Phillis Ries:

Reading a book to be new life style in this yr; every people loves to go through a book. When you learn a book you can get a large amount of benefit. When you read guides, you can improve your knowledge, since book has a lot of information upon it. The information that you will get depend on what sorts of book that you have read. If you wish to get information about your review, you can read education books, but if you act like you want to entertain yourself read a fiction books, such us novel, comics, and soon. The Mark Twain: The Fate of Humor provide you with new experience in examining a book.

**Sylvia Medina:**

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library in order to make summary for some e-book, they are complained. Just very little students that has reading's heart or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that looking at is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Mark Twain: The Fate of Humor can make you feel more interested to read.
