Phantom Waltz (Kendrick/Coulter/Harrigan series Book 2) By Catherine Anderson

***New York Times* bestselling author Catherine Anderson presents the beloved Coulter family in a novel that's "romantic through and through" (Publishers Weekly).**

One glance. That's all it takes. Wealthy rancher Ryan Kendrick falls hard and fast for lovely Bethany Coulter. A beguiling mix of sass and shyness, naiveté and maturity, she shares his passion for horses, has a great sense of humor, and can light up a room with her beautiful smile. She's absolutely perfect--in every way but one...

A long-ago barrel-racing accident has left Bethany confined to a wheelchair. In the years since, she has known both betrayal and heartbreak--and vowed never to open her heart to a man again. She has even accepted the possibility that she'll never be able to enjoy a healthy intimate relationship--or have children of her own. But there's something about handsome Ryan Kendrick. Something that makes her believe she can overcome every obstacle. Something that makes her believe in lifelong, lasting love...

Editorial Review

From Publishers Weekly

Anderson (*Baby Love*, etc.) departs from traditional romantic stereotypes in this poignant, contemporary tale of a love that transcends all boundaries. Handsome rancher and reputed rake Ryan Kendrick and the beautiful paraplegic Bethany Coulter seem an unlikely couple, but, after one date and a passionate kiss, Ryan can't stop thinking about Bethany. Bethany, on the other hand, has felt the sting of rejection far too often, and she's unwilling to become involved especially with a man who has a reputation. Once the two finally do come together, their lovemaking becomes the focus of the book. The lengthy scenes detailed here are hardly gratuitous, however, and readers will empathize with Ryan as he offers a heartfelt prayer to God regarding his intimacy with Bethany. This well-paced tale is largely a strong read, but certain elements Ryan is a millionaire and his family is just too good to be true seem forced and far-fetched. Although some readers may be hesitant to read a romance involving such a major physical disability, Anderson makes it not only plausible (with seemingly good research to back her story up) but romantic through and through.

From [Booklist](#)

Ryan Kendrick, brother of Rafe Kendrick, from *Baby Love* (1999), takes center stage as the hero of Anderson's latest emotionally charged contemporary romance. Handsome, wealthy rancher Ryan has a reputation around Crystal Falls as a love 'em and leave 'em kind of guy, so when he starts flirting with wheelchair-bound paraplegic Bethany Coulter, the Coulter family immediately becomes concerned. Having no desire to risk going through the same intense emotional pain she suffered when her only boyfriend abandoned her after she was injured in a barrel-racing competition, Bethany declines all of Ryan's romantic overtures. Ryan, however, discovers Bethany is the woman he has been waiting for all of his life, and now he moves heaven and earth to convince her of that fact. Anderson comes up with another winner by deftly blending sweetness and sensuality in a poignantly written story that proves true love can overcome any boundary. *John Charles*
