## **Editorial Review**

From School Library Journal

Gr 8 Up-In this sequel to *The Girl of Fire and Thorns* (HarperCollins, 2011), several months have passed since Elisa, through the power of her Godstone, destroyed the invading animagi sorcerers. Although the forces of Invierno were successfully driven back, the outer perimeter of the city still burns. Elisa is now queen of Joya d'Arena, and the crown is proving to be a heavy burden in more ways than one. The Inviernos still seek to capture her to manipulate the power of the Godstone she bears. There is massive civil unrest, and there are those at court who seek to undermine her rule. Although her husband has only been dead a few months, she is being pressured to remarry to secure an alliance with one of the noble houses in the kingdom. After several attempts are made on her life, she sets off on a perilous quest that is part of the fulfillment of her destiny as the bearer. As in the first book, Elisa's narration conveys a sense of immediacy. Carson has created vivid, palpable settings and complex multifaceted characters, and delivers a fast-paced novel that is emotionally charged, suspenseful, and filled with plot twists. The cliff-hanger ending will leave readers eagerly anticipating the next installment of this series, which will especially appeal to fans of Kristin Cashore and Tamora Pierce.-Francesca Burgess, Brooklyn Public Library, NYα(c) Copyright 2011. ### **From the Back Cover**

She does not know what awaits her at the enemy's gate.

Elisa led her people to victory over a terrifying, sorcerous army. Her place as queen should be secure. But it isn't. Her enemies come at her like ghosts in a dream, from foreign realms and even from within her own court. And her destiny as the chosen one has not yet been fulfilled. To conquer the power she bears, once and for all, Elisa must journey from the hidden catacombs beneath her own city to treacherous seas and a long-forgotten island. With her go a one-eyed spy, a traitor, and the man whom—despite everything—she is falling in love with. If she's lucky, she'll return. But there will be a cost.
