### The Cry for Myth By Rollo May

It happens almost daily in a therapist's office. A patient, recalling a person, an event, an emotion, quite unexpectedly supplies a link from the present to one of the durable myths of our culture. In this moment, the myth reveals to the patient source of disturbance and pain in a pattern of behaviour that often stretches over a year. The healing process begins. The myth, "eternity breaking into time" in Rollo May's works, becomes the focal point of recovery. Through tracing myths - whether from classical Greece and Dante's Middle Ages, European legend (Faust and the prototype of Sleeping Beauty), or contemporary life (Jay Gatsby) - and relating them to the dreams and associations he encounters in his own practice, Dr May provides meaning and structure for all who seek direction in a morally confusing world.

### Editorial Review

From Library Journal

Since his introduction of modern philosophy to American psychiatric practice in the United States (Existence, 1958), May has provided readers with accessible texts on many psychological issues (including Freedom and Destiny, LJ 10/1/81). In his newest book he directs our attention to the psychology of our culture by providing a distinctly American portrait of the place--and displacements--of myth in our society. As is customary for this author, the text weaves case studies and considerable literary exegesis into his cogent analyses. May demonstrates his thesis--that "Each myth in human history is interpreted according to the needs of the society which it reflects"--and keeps good his promise to provide an American audience currently interested in the mythic realms of other cultures (witness the popularity of Joseph Campbell's works) with insight on our own mythology. Recommended for public and academic libraries.

### About the Author

Rollo May (1909-1994) taught at Harvard, Princeton, and Yale, and was Regents' Professor at the University of California, Santa Cruz. An influential psychologist, he was the best-selling author of Love and Will, as well as the author of The Courage to Create, Man's Search for Himself, The Meaning of Anxiety, and Psychology and the Human Dilemma.

### Users Review

#### From reader reviews:

##### Ann Tuttle:

In this 21st hundred years, people become competitive in every way. By being competitive currently, people have do something to make them survives, being in the middle of the crowded place and notice through surrounding. One thing that often many people have underestimated that for a while is reading. Sure, by reading a guide your ability to survive raise then having chance to stand than other is high. To suit your needs who want to start reading a book, we give you this specific The Cry for Myth book as basic and daily reading e-book. Why, because this book is more than just a book.

##### James Boyett:

Do you certainly one of people who can't read satisfying if the sentence chained within the straightway, hold on guys that aren't like that. This The Cry for Myth book is readable by means of you who hate those straight word style. You will find the details here are arrange for enjoyable reading through experience without leaving perhaps decrease the knowledge that want to offer to you. The writer associated with The Cry for Myth content conveys thinking easily to understand by lots of people. The printed and e-book are not different in the information but it just different as it. So, do you still thinking The Cry for Myth is not loveable to be your top checklist reading book?

**Marilyn Chambers:**

This The Cry for Myth is great guide for you because the content that is certainly full of information for you who always deal with world and still have to make decision every minute. That book reveal it info accurately using great coordinate word or we can say no rambling sentences included. So if you are read this hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but tough core information with wonderful delivering sentences. Having The Cry for Myth in your hand like having the world in your arm, information in it is not ridiculous a single. We can say that no reserve that offer you world within ten or fifteen small right but this publication already do that. So , it is good reading book. Hey Mr. and Mrs. stressful do you still doubt this?

**Ellen Scherer:**

Within this era which is the greater individual or who has ability to do something more are more valuable than other. Do you want to become one among it? It is just simple solution to have that. What you need to do is just spending your time almost no but quite enough to enjoy a look at some books. One of several books in the top record in your reading list is actually The Cry for Myth. This book which can be qualified as The Hungry Inclines can get you closer in growing to be precious person. By looking up and review this book you can get many advantages.
