## **Editorial Review**

### **Review**

"Invaluable! I wish I had this when I was first training my dog!" --Harriet Irwin

"We have had overwhelmingly positive feedback to Patricia's books here in Germany. Finally, someone knows how to write about behavior AND training in a very enlightening way. Trisha holds up a mirror to show us our behavior around dogs - and makes us laugh with the discoveries we make about ourselves. One of the reasons for her success is that she never comes across as lecturing with a wagging finger. She likes humans as much as she loves dogs which is expressed clearly in her writing." --Gisela Rau, Kynos Publishing

### **About the Author**

Patricia B. McConnell, PhD. and Karen B. London, PhD. are Certified Animal Behaviorists and professional dog trainers who specialize in evaluating and treating serious behavioral problems in domestic dogs. They are both nationally and internationally respected ethologists who combine the best of science and practical experience to help their two favorite species, people and dogs.
