What If You Had Animal Teeth? By Sandra Markle

If you could have any animal's front teeth, whose would you choose?

WHAT IF YOU HAD ANIMAL TEETH? takes children on a fun, informative, and imaginative journey as they explore what it would be like if their own front teeth were replaced by those of a different animal. Featuring a dozen animals (beaver, great white shark, narwhal, elephant, rattlesnake, naked mole rat, hippopotamus, crocodile, and more), this book explores how different teeth are especially adapted for an animal's survival. At the end of the book, children will discover why their own teeth are just right for them. And they'll also get a friendly reminder to take good care of their teeth, because they're the only teeth they'll ever have. Each spread features a photograph of the animal using its specialized teeth on the left and a humorous illustrated image of a child using that animal's teeth on the right.

Editorial Review

From [Booklist](#)

Losing a first tooth is a memorable milestone in the life of a young person. Markle uses this universal experience to pose a relevant, though slightly unsettling, scientific inquiry: "But what if an animal's teeth grew in, instead?" In a fashion germane to her audience, she presents interesting animal trivia via examples and common happenings in their own lives—for example, if you had naked mole rat teeth, you could operate them separately like chopsticks. McWilliam's huge-jawed illustrations, such as a young Inuit fishing with a narwhal tusk or a frustrated student mowing through his math book with a beaver's orange-colored incisors, are somehow both hilarious and terrifying. Meanwhile, photos of open-mouthed animals accompany the text. Though perhaps not the best choice for the nightmare-prone, this will surely satisfy animal enthusiasts and trivia lovers, and dentists and parents will appreciate the mention of ways to keep human chompers healthy. Grades 1-3. --Erin Anderson

About the Author

Sandra Markle is the author of more than two hundred children's books, which have won numerous awards, including Boston Globe-Horn Book Honor Book, IRA/CBC Children's Choice, NSTA/CBC Outstanding Trade Books for Children, NCTE Orbis Pictus Recommended, and ALA Notable Books for Children. She lives in Florida.

Howard McWilliam is the illustrator of *I NEED MY MONSTER*, by Amanda Noll, and *WHEN A DRAGON MOVES IN*, by Jodi Moore. Howard left his career as a U.K. magazine editor and journalist in 2005 to concentrate on his growing career as a cartoonist and illustrator. He has won various awards and competitions for his work and has been published in a wide range of U.K. magazines and newspapers, including *THE DAILY TELEGRAPH* and *THE WEEK*. He lives in Kingston Upon Thames, England, with his wife, Rebecca.

Users Review
