### Editorial Review

From the Back Cover

#### **The closest you can get to seeing patients without being on the wards**

Students need exposure to cases to pass the USMLE Step 2 and the surgery shelf exam. This book presents 55 clinical cases illustrating essential concepts in general surgery. Perfect for the clerkship and the USMLE Step 2, each case includes an extended discussion, definitions of key terms, clinical pearls, and USMLE-style review questions. This interactive learning system helps you to learn instead of memorize.

\*55 surgical cases with complete discussions

\*Clinical pearls highlight key points

\*USMLE-style comprehension questions with each case

\*Primer on how to approach the surgical patient

\*Proven learning system improves shelf exam scores

“Superior to other case file books.”

--Chang-Kun Choi, Medical Student, Midwestern University School of Medicine

“Using clinical scenarios not only makes the reading fun and interesting, but it is far more engaging than sitting down with a bulleted text and reviewing detail after detail. This is a much better way to learn clinical information. I have not read a book like this before, and I certainly have enjoyed it.”

--Eric Hossler, Medical Student, James H. Quillen College of Medicine

“I LOVED this book! I would recommend this book to all third-year students... The book uses a clinical approach and does not lose sight of the pathophysiology behind the disease -- GREAT preparation for being on the wards! The subject matter is also deceptively detailed, with much more information than one normally finds in a text of case files. The reader can use this book as either a rigorous self-test or a read-through introduction to the subject. Once again - a GREAT text!”

--Elizabeth Johnston, Medical Student, Emory University

### Users Review

#### **From reader reviews:**

##### **Jaime Howell:**

What do you concentrate on book? It is just for students because they are still students or the item for all people in the world, what best subject for that? Just you can be answered for that issue above. Every person has diverse personality and hobby for every other. Don't to be compelled someone or something that they don't want do that.
