### Indomitable Spirit By APJ Abdul Kalam

"What would you like to be remembered for? You have to evolve yourself and shape your life. You should write it on a page. That page may be a very important page in the book of human history. And you will be remembered for creating that one page in the history of the nation - whether that page is the page of invention, the page of innovation or the page of discovery or page of fighting injustice....' Simple words spoken directly from the heart, revealing, the former Indian President, Dr. Kalam's deep concern for the vital issues. Reflecting upon a wide range of themes of abiding human, national and global concerns, Dr. Kalam's inspiring, almost magical words engage and captivate the reader's mind and heart.
