#### About the Author

There have been many imitators, but only Jackie Collins can tell you what really goes on in the fastest lane of all. From Beverly Hills bedrooms to a raunchy prowling along the streets of Hollywood; from glittering rock parties and concerts to stretch limos and the mansions of power brokers--Jackie Collins chronicles the real truth from the inside looking out. Jackie Collins has been called a "raunchy moralist" by the late director Louis Malle and "Hollywood's own Marcel Proust" by *Vanity Fair* magazine. With more than 500 million copies of her books sold in more than forty countries, and with some thirty *New York Times* bestsellers to her credit, Jackie Collins is one of the world's top-selling novelists.
