Writing in plain English, Thau presents cutting-edge strategies for making the best bond-investing decisions, while explaining how to assess risks and opportunities. She also includes up-to-date listings of online resources with bond prices and other information. Look to this all-in-one guide for information on such critical topics as:

- Buying individual bonds or bond funds
- The ins and outs of open-end funds, closed-end funds, and exchange-traded funds (ETFs)
- The new landscape for municipal bonds: the changed rating scales, the near demise of bond insurance, and Build America Bonds (BABs)
