## The Cat Who Came for Christmas By Cleveland Amory

Cleveland Amory first met the bedraggled Polar Bear in a New York alley one snowy Christmas Eve. From the moment Cleveland rescued the starving and injured cat a special bond began to form between the damaged animal and the bachelor journalist who preferred dogs. This is the story of their first year together, the story of a stray cat with a mind of his own, and the curmudgeonly man who grew to love him. If you have ever owned a cat, or been owned by one, you will recognize the delight in the journey that followed this Christmas Eve encounter. From Polar Bear's fitness programme to their trip to Hollywood and the funny and touching conversations Cleveland and his stubborn little friend share, this is a heart-warming tale of feline and human nature that any animal lover can enjoy all year round.

## **Editorial Review**

From Publishers Weekly

One Christmas Eve, Amory, the founder and head of the Fund for Animals, found and took home a stray, scrawny cat. Here he "offers an entertaining, if precious, recreation of his first year with Polar Bear" (the cat's name), observed PW of this bestseller. 250,000 first printing; author tour.

Copyright 1988 Reed Business Information, Inc.

From Library Journal

Apparently aimed at the holiday gift trade, this is the pleasant, rambling story of a white cat rescued by Amory one Christmas Eve. Struggling to understand his feline friend, he becomes devoted to a degree that not everyone will understand. An animal rights activist, Amory shares his feelings about veterinarians, airlines, hotels, human and animal natures, and the complexities of modern life. Although amusing anecdotes abound, there is little action. Amory's intelligent, educated musings explain life as he and his cat experience it. He also includes interesting trivia on ancient feline history and celebrities who loved or hated cats. Not a necessary purchase, but most cat lovers will adore it. Carolyn I. Alexander, USACDEC Technical Information Ctr., Fort Ord, Cal.
