### Editorial Review

#### Review

"The very definition of British humor...in suave hardcover volumes, the dust jackets as natty as the prose."

#### From the Back Cover

Money makes the world go round for Stanley Featherstonehaugh Ukridge – and when there isn't enough of it, the world just has to spin a bit faster. Ever on the lookout for a quick buck, a solid gold fortune, or at least a plausible little scrounge, the irrepressible Ukridge gives con men a bad name. Looking like an animated blob of mustard in his bright yellow raincoat, he invests time, passion and energy (but seldom actual cash) in a series of increasingly bizarre money-making schemes. Finance for a dog college? It's yours. Shares in an accident syndicate? Easily arranged. Promoting a kind-hearted heavyweight boxer? A snip.

Poor Corky Corcoran, Ukridge's old school chum and confidant, trails through these pages in the ebullient wake of Wodehouse's most disreputable but endearing hero and hopes to escape with his shirt at least.

#### About the Author

P. G. Wodehouse (1881–1975) spent much of his life in Southampton, New York, but was born in England and educated in Surrey. He became an American citizen in 1955. In a literary career spanning more than seventy years, he published more than ninety books and twenty film scripts, and collaborated on more than thirty plays and musical comedies.

### Users Review

#### From reader reviews:

##### **Belinda Timmer:**

Do you have favorite book? When you have, what is your favorite's book? Reserve is very important thing for us to understand everything in the world.
