NOTE: You are purchasing a standalone product; MyMathLab does not come packaged with this content. If you would like to purchase both the physical text and MyMathLab, search for:

013379556X / 9780133795561      Calculus And Its Applications Plus MyMathLab with Pearson eText -- Access Card Package

Package consists of:

0321431308 / 9780321431301      MyMathLab -- Glue-in Access Card

0321654064 / 9780321654069      MyMathLab Inside Star Sticker

0321979397 / 9780321979391      Calculus And Its Applications

MyMathLab should only be purchased when required by an instructor.

**Calculus and Its Applications, Eleventh Edition**, remains a best-selling text because of its accessible presentation that anticipates student needs. The writing style is ideal for today's students, providing intuitive explanations that work with the carefully crafted artwork to help them visualize new calculus concepts. Additionally, the text's numerous and up-to-date applications from business, economics, life sciences, and social sciences help motivate students. Algebra diagnostic and review material is available for those who need to strengthen basic skills. Every aspect of this revision is designed to motivate and help students to more readily understand and apply the mathematics.

## Editorial Review

### About the Author

**Marvin Bittinger** has been teaching math at the university level for more than thirty-eight years. Since 1968, he has been employed at Indiana University Purdue University Indianapolis, and is now professor emeritus of mathematics education. Professor Bittinger has authored over 190 publications on topics ranging from basic mathematics to algebra and trigonometry to applied calculus. He received his BA in mathematics from Manchester College and his PhD in mathematics education from Purdue University. Special honors include Distinguished Visiting Professor at the United States Air Force Academy and his election to the Manchester College Board of Trustees from 1992 to 1999. His hobbies include hiking in Utah, baseball, golf, and bowling. Professor Bittinger has also had the privilege of speaking at many mathematics conventions, most recently giving a lecture entitled "Baseball and Mathematics." In addition, he also has an interest in philosophy and theology, in particular, apologetics. Professor Bittinger currently lives in Carmel, Indiana, with his wife, Elaine. He has two grown and married sons, Lowell and Chris, and four granddaughters.

**David Ellenbogen** has taught math at the college level for twenty-two years, spending most of that time in the Massachusetts and Vermont community college systems, where he has served on both curriculum and developmental math committees. He has also taught at St. Michael's College and the University of Vermont. Professor Ellenbogen has been active in the Mathematical Association of Two Year Colleges since 1985, having served on its Developmental Mathematics Committee and as a delegate, and has been a member of the Mathematical Association of America since 1979. He has authored dozens of publications on topics ranging from prealgebra to calculus and has delivered lectures at numerous conferences on the use of language in mathematics. Professor Ellenbogen received his BA in mathematics from Bates College and his MA in community college mathematics education from the University of Massachusetts at Amherst. A cofounder of the Colchester Vermont Recycling Program, Professor Ellenbogen has a deep love for the environment and the outdoors, especially in his home state of Vermont. In his spare time, he enjoys playing keyboard in the band Soularium, volunteering as a community mentor, hiking, biking, and skiing. He has two sons, Monroe and Zack.

**Scott Surgent** received his B.S. and M.S. degrees in mathematics from the University of California—Riverside, and has taught mathematics at Arizona State University in Tempe, Arizona, since 1994. He is an avid sports fan and has authored books on hockey, baseball, and hiking. Scott enjoys hiking and climbing the mountains of the western United States. He was active in search and rescue, including six years as an Emergency Medical Technician with the Central Arizona Mountain Rescue Association (Maricopa County Sheriff's Office) from 1998 until 2004. Scott and his wife, Beth, live in Scottsdale, Arizona.

## Users Review

### From reader reviews:

#### **Angie Dean:**

Your reading sixth sense will not betray an individual, why because this Calculus and Its Applications (11th

Edition) guide written by well-known writer whose to say well how to make book that can be understand by anyone who else read the book. Written within good manner for you, dripping every ideas and composing skill only for eliminate your current hunger then you still doubt Calculus and Its Applications (11th Edition) as good book not only by the cover but also through the content. This is one guide that can break don't evaluate book by its deal with, so do you still needing an additional sixth sense to pick this particular!? Oh come on your looking at sixth sense already said so why you have to listening to a different sixth sense.

### **Shannon Palmer:**

This Calculus and Its Applications (11th Edition) is completely new way for you who has curiosity to look for some information given it relief your hunger details. Getting deeper you into it getting knowledge more you know otherwise you who still having little bit of digest in reading this Calculus and Its Applications (11th Edition) can be the light food for yourself because the information inside this kind of book is easy to get by anyone. These books develop itself in the form that is reachable by anyone, yeah I mean in the e-book form. People who think that in book form make them feel drowsy even dizzy this publication is the answer. So there isn't any in reading a publication especially this one. You can find actually looking for. It should be here for a person. So , don't miss the item! Just read this e-book variety for your better life and knowledge.

### **Mohammed Strohl:**

Do you like reading a e-book? Confuse to looking for your chosen book? Or your book had been rare? Why so many problem for the book? But any kind of people feel that they enjoy regarding reading. Some people likes reading through, not only science book but additionally novel and Calculus and Its Applications (11th Edition) or perhaps others sources were given understanding for you. After you know how the good a book, you feel want to read more and more. Science e-book was created for teacher or students especially. Those guides are helping them to bring their knowledge. In other case, beside science reserve, any other book likes Calculus and Its Applications (11th Edition) to make your spare time more colorful. Many types of book like this one.

### **Harold Esparza:**

Some individuals said that they feel bored when they reading a reserve. They are directly felt the item when they get a half regions of the book. You can choose often the book Calculus and Its Applications (11th Edition) to make your reading is interesting. Your skill of reading expertise is developing when you such as reading. Try to choose simple book to make you enjoy to read it and mingle the sensation about book and studying especially. It is to be initial opinion for you to like to open a book and go through it. Beside that the reserve Calculus and Its Applications (11th Edition) can to be your brand new friend when you're truly feel alone and confuse in doing what must you're doing of their time.
