Euripides: 'Helen' (Cambridge Greek and Latin Classics) By Euripides

This up-to-date edition offers a detailed literary and cultural analysis of Euripides' *Helen*, a work which arguably embodies the variety and dynamism of fifth-century Athenian tragedy more than any other surviving play. The story of an exemplary wife (not an adulteress) who went to Egypt (not to Troy), Euripides' 'new Helen' skilfully transforms and supplants earlier currents of literature and myth. The Introduction elucidates Euripides' treatment of Helen and sets the play in its wider intellectual context. It also discusses questions of genre and reception, rejecting such descriptions as 'tragicomedy' or 'romantic tragedy', and showing how later artists have responded to Euripides' unorthodox heroine and her phantom double. The Commentary's notes on language and style are intended to make *Helen* fully accessible to readers of Greek at all levels, while the edition as a whole is designed for use by anyone with an interest in Greek tragedy.

Editorial Review

Review

"Allan's commentary is a valuable and needed contribution to the study and dissemination of Euripides' Helen. It is rich in contextual information, straightforward in its analysis and contentions, and judicious in its treatment of the text. Additionally, it does a significant portion of the necessary work of bringing the last four decades of scholarship to bear upon our reading of the play. For all these reasons, Allan's new commentary will go a long way towards achieving his stated goal of demonstrating that 'Helen is an extraordinary exuberant and inventive drama that deserves to be read (and performed) more widely.'" -- BMCR

About the Author

William Allan is McConnell Laing Fellow and Tutor in Classical Languages and Literature at University College, Oxford.

Users Review

From reader reviews:

Helen McCormick:

Hey guys, do you desires to finds a new book to study? May be the book with the headline Euripides: 'Helen' (Cambridge Greek and Latin Classics) suitable to you? There are a lot of those who recommended this book. They were enjoying reading this book. When you did not have enough space to bring this book you can buy often the e-book. You can m0ore easily to read this book from your smart phone. The price is not very costly but this book possesses high quality.

Myrtle Hamer:

As a pupil exactly feel bored in order to reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just minor students that has reading's internal or real their pastime. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that looking at is not important, boring as well as can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Euripides: 'Helen' (Cambridge Greek and Latin Classics) can make you feel more interested to read.
