Heart of the Hunter (Dragon Chalice Book 1) By Lara Adrian

"Passion, danger and a bit of mysticism all come together brilliantly in the bewitching Dragon Chalice medieval paranormal series." --BOOKLIST

Ariana of Clairmont would risk anything to save her kidnapped brother. Her only ally is Braedon le Chasseur - "the Hunter" - a dark knight with a mysterious past, whose scarred face and forbidding nature mask a soul filled with pain. Ariana fears this dangerous man and the secrets he strives to conceal--but Braedon's touch is pure seduction, his kiss a potent lure that tempts her into a passion she is powerless to resist.

HEART OF THE HUNTER is the first book in the award-winning Dragon Chalice historical paranormal romance series from New York Times and #1 international bestselling author Lara Adrian.

Editorial Review

From Publishers Weekly

St. John's (Black Lion's Bride, etc.) new medieval fantasy romance series gets off to a rocky start with this thinly plotted installment. The story opens with a description of an artifact called the Dragon Chalice, which allegedly gives the one who wields it untold power. The cup has been sundered into four pieces, and one piece has fallen into the hands of an evil sorcerer. The sorcerer hopes to find a second piece with the help of research performed by a Templar knight, whom he's abducted. When Ariana of Clairmont receives a ransom demand for the knight, her brother, she sets out to deliver his notes. On her way there, she's waylaid by the magician's henchmen and rescued by Braedon, a mercenary called the Hunter. Braedon knows more than he lets on about the Dragon Chalice, and he agrees to help Ariana in her quest—though not for the reasons she imagines. Stuck in her ingénue role, Ariana has little chance to shine; she spends most of the novel being shoved out of danger or storming off and endangering her own mission. Braedon, however, is the kind of strong, charismatic, slightly dangerous hero that will have readers salivating. While Braedon's sexy appeal may be enough to keep some readers intrigued, others may not stick around to see the Dragon Chalice reformed in St. John's subsequent books.

To deliver the ransom needed to free her brother, Lady Ariana of Clairmont would travel with the very devil himself. Now it seems she must, since the only one who can transport her safely to France is ruthless Braedon le Chasseur. Braedon never thought he would return to France, but somehow he finds himself nearly persuaded into escorting Ariana until he realizes the ransom consists of her brother's research into the location of the legendary Dragon Chalice. Ariana offers to let Braedon name his price in return for his help, and Braedon finds he might just be willing to battle danger, evil, and an old friend turned enemy in return for Ariana's love. A vividly detailed setting, bold and adventurous protagonists, and a compelling plot laced with passion, danger, and a bit of mysticism all come together brilliantly in the first in a bewitching new medieval paranormal series by the wonderfully gifted St. John. *John Charles*
