## Hellhole By Gina Damico

### A devil is a bad influence . . .

There was a time when geeky, squeaky-clean Max Kilgore would never lie or steal or even *think* about murder.

Then he accidentally unearths a devil, and Max's choices are no longer his own. The big red guy has a penchant for couch surfing and junk food—and you should never underestimate evil on a sugar high. With the help of Lore, a former goth girl who knows a thing or two about the dark side, Max is races against the clock to get rid of the houseguest from hell before time, and all the Flamin' Hot Cheetos this side of the fiery abyss, run out.

Gina Damico, author of the Croak series, once again delivers all the horror, hilarity, and high-stakes drama that any kid in high school or hell could ever handle.

## Editorial Review

From School Library Journal

Gr 9 Up—Max is a good kid, and he does one bad thing: he steals a silly glittery cat bobble head from the convenience store where he works to give to his seriously ill mother. This small act of "evil" accidentally releases a demon named Burg. His friend Lore understands because she experienced a similar incident (for a white lie) and was forced by her demon to do horrible things, causing her much heartbreak until it mysteriously disappeared. The teens struggle to send Max's devil away, but Max is also determined to force the spirit to heal his mother, who is on the waiting list for a heart transplant. The protagonist gets drawn deeper into Burg's web as he attempts to keep his end of the bargain and simultaneously find a way to vanquish the devil. Damico draws readers into this quirky novel with well-written prose, believable characters, and an evenly plotted story line. More than a farce-comedy adventure with silly demons, as the cover might suggest, it will appeal to teens who enjoy literary works with some humor and an exploration of the nature of evil. With some expert booktalking, librarians can get this title into the right hands.—Saleena L. Davidson, South Brunswick Public Library, Monmouth Junction, NJ

Review

\* "Hilarious—all the way through."

—*Kirkus*, starred review

"Damico draws readers into this quirky novel with well-written prose, believable characters, and an evenly plotted story line."

—*School Library Journal*

"Damico's blend of bleak humor and harsh reality lends itself well to Max's social awkwardness and Lore's biting cynicism, while Burg is outrageously appalling."

—*Publishers Weekly*

"The snarky Burg, Max's tendency to catch things one step too late but with wry humor, and the absurd piling on of events all work to make a quite amusing, if very dark, novel."
