Editorial Review

From School Library Journal

Kindergarten-Grade 2-For children, the concept of peace can be a difficult one to understand, and Parr makes an admirable attempt to explain it. He relates the notion to making new friends, listening to different kinds of music, and helping your neighbor. Where he stretches it a bit is with sentiments such as, "Peace is wishing on a star" or "...watching it snow," even if the images are tranquil. Bright primary colors and bold black outlines define cartoonlike characters (animal and human) with smiling features. A helpful and engaging book that's sure to spark discussion.—*Blair Christolon, Prince William Public Library System, Manassas, VA*

PreS-Gr. 2. Parr offers another blazingly colored, upbeat celebration of diversity in this picture book that seems directly descended from the Peanuts characters' familiar declarations of "Happiness is . . ." On each page, Parr features a different definition of peace: offering a hug to a friend, keeping the streets clean, and so on. The closing message ("Peace is being who you are") is illustrated with Parr's usual multicultural mix of blue, green, brown, yellow, and purple faces. This does echo greeting-card sentimentality, but Parr's boldly outlined, bright images are as cheerful as ever, and his broad interpretations of peace could start discussions with children trying to wrap their minds around such an abstract concept, widening this book's audience to a slightly older age group than Parr's usual preschool fan base. *Gillian Engberg*

He is the bestselling author of more than forty books, including *The Goodbye Book*, *The Family Book*, *The I Love You Book*, and *It's Okay to be Different*. He lives in Berkeley, California.

Users Review

From reader reviews:

Jonathan Scott:

The book The Peace Book make one feel enjoy for your spare time. You should use to make your capable much more increase. Book can for being your best friend when you getting stress or having big problem with the subject. If you can make reading a book The Peace Book for being your habit, you can get considerably more advantages, like add your personal capable, increase your knowledge about many or all subjects. You could know everything if you like open and read a guide The Peace Book. Kinds of book are a lot of. It means that, science book or encyclopedia or other folks. So , how do you think about this guide?

Marguerite Boute:

Book is to be different per grade. Book for children right up until adult are different content. To be sure that book is very important for people. The book The Peace Book had been making you to know about other information and of course you can take more information. It is quite advantages for you. The reserve The

Peace Book is not only giving you far more new information but also to be your friend when you sense bored. You can spend your personal spend time to read your guide. Try to make relationship together with the book The Peace Book. You never sense lose out for everything if you read some books.

Marissa Wegener:

Here thing why this particular The Peace Book are different and trusted to be yours. First of all looking at a book is good but it really depends in the content of the usb ports which is the content is as tasty as food or not. The Peace Book giving you information deeper and different ways, you can find any publication out there but there is no guide that similar with The Peace Book. It gives you thrill reading through journey, its open up your eyes about the thing that happened in the world which is maybe can be happened around you. You can actually bring everywhere like in park your car, café, or even in your method home by train. If you are having difficulties in bringing the printed book maybe the form of The Peace Book in e-book can be your alternative.

Gloria Engstrom:

Do you among people who can't read pleasurable if the sentence chained from the straightway, hold on guys this aren't like that. This The Peace Book book is readable by simply you who hate the perfect word style. You will find the info here are arrange for enjoyable looking at experience without leaving actually decrease the knowledge that want to give to you. The writer involving The Peace Book content conveys the idea easily to understand by most people. The printed and e-book are not different in the content but it just different in the form of it. So , do you nonetheless thinking The Peace Book is not loveable to be your top listing reading book?
