## The Things We Lose, The Things We Leave Behind: and Other Short Stories By Billy O'Callaghan

This new collection by Billy O'Callaghan explores everyday existence in the aftermath of cataclysms both subtle and overt. The characters who populate these stories are people afflicted by life and circumstance, hauled from some idyll and confronted with such real world problems as divorce, miscarriage, cancer, desertion, bereavement, and the disintegration of love. The book suggests that the human heart boasts extraordinary resilience. We bear the guilt, sorrow and regret for the things we have lost or given up, we seek the light, and we endure. These thirteen stories attempt to illuminate the darkness.
