Shifters, demons, and even a mind bender, these are men you wouldn't expect to see walking the streets. Yet they are in Washington DC working to protect the innocent victims when no one else can. Bad Boys Incorporated under the leadership of Wolfe McCoy houses the men who now tow the line of good. Passionate, sexy, brooding, and a little bit of a dark side, they are each honorable in their own way. When they fall in love they fall hard and will protect any woman with their lives. You don't ever have to wonder if the men of Bad Boys, Inc. will leave a mission unsolved. They are not built to fail. With strong arms they hold you. With firm hands they'll caress. And when they say I love you...they mean it.
