Christ and the Spirit: Spirit-Christology in Trinitarian Perspective By Ralph Del Colle

This is a study of Spirit-Christology--a contemporary theological model of the relationship between Jesus Christ and the Holy Spirit. Del Colle measures this christological model against trinitarian theology and tests its viability. He investigates in particular the development of a Roman Catholic Spirit-Christology, which has arisen from within the modern neo-scholastic theological tradition. Contrary to other interpreters, Del Colle argues that an incarnational christology and a Spirit-Christology are not conflicting but complementary and that this is recognized by the older and deeper tradition. In conclusion, he seeks to demonstrate the productivity of the Spirit-Christological model in reference to three major areas of concern for contemporary systematic theology: cultural pluralism and diversity, emancipation and social praxis, and inter-religious dialogue.

Editorial Review

Review

"Del Colle's thesis--that a full-blooded Trinitarianism and a firm insistence on the complete humanity of Christ are entirely compatible--is of immense significance to Christian theology today. The author's technical competence in presenting the historical material, his subtle constructive reflections, and his concluding demonstration of the fruitfulness of his solution for other problems are all signs of a first-rate mind. With this book Del Colle could emerge as one of the most powerful figures in the rising generation of Christian theologians in the U.S."--Geoffrey Wainwright, *Robert E. Cushman Professor of Christian Theology, Duke University*

"[*Christ and the Spirit*] unfolds within the world of scholastic theology. Del Colle is a brilliant expositor of that world; he has mastered the distinctions and the arguments; he works within its logic. As a historical theologian Del Colle is objective, fair, and completely irenic in laying out the positions he considers."--*Theological Studies*

"Ralph Del Colle's study is an important book."--*Theology*

"This is a remarkably fine and interesting study....It is one of those books whose promise and direction are evident from the beginning."--*Modern Theology*

"Del Colle's work is an important contribution."--*Journal of Ecumenical Studies*

About the Author

Ralph Del Colle is at Barry University, Miami Shores.

Users Review

From reader reviews:

Margaret Pinson:

What do you about book? It is not important to you? Or just adding material when you want something to explain what the one you have problem? How about your free time? Or are you busy person? If you don't have spare time to try and do others business, it is make one feel bored faster. And you have free time? What did you do? Every person has many questions above. They must answer that question because just their can

do that will. It said that about reserve. Book is familiar on every person. Yes, it is suitable. Because start from on pre-school until university need this kind of Christ and the Spirit: Spirit-Christology in Trinitarian Perspective to read.

Miguel Ross:

Information is provisions for those to get better life, information these days can get by anyone from everywhere. The information can be a information or any news even restricted. What people must be consider whenever those information which is inside the former life are difficult to be find than now is taking seriously which one works to believe or which one the resource are convinced. If you have the unstable resource then you buy it as your main information we will see huge disadvantage for you. All those possibilities will not happen with you if you take Christ and the Spirit: Spirit-Christology in Trinitarian Perspective as the daily resource information.

Kristen Hancock:

The e-book untitled Christ and the Spirit: Spirit-Christology in Trinitarian Perspective is the guide that recommended to you to see. You can see the quality of the guide content that will be shown to an individual. The language that author use to explained their way of doing something is easily to understand. The article writer was did a lot of exploration when write the book, to ensure the information that they share to you is absolutely accurate. You also can get the e-book of Christ and the Spirit: Spirit-Christology in Trinitarian Perspective from the publisher to make you more enjoy free time.

Diane Dockins:

As a pupil exactly feel bored for you to reading. If their teacher asked them to go to the library or even make summary for some reserve, they are complained. Just small students that has reading's spirit or real their passion. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that studying is not important, boring and can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Christ and the Spirit: Spirit-Christology in Trinitarian Perspective can make you sense more interested to read.
