In this Second Edition, special pedagogical features draw the reader's attention to issues of recurring importance in literacy instruction while aiding in reviewing and understanding the key concepts, including:

- Listings, descriptions, and discussion of the **Common Core Standards**
- An added emphasis on **developing phonemic awareness and other prereading skills** with additional lessons and techniques for struggling students
- A thorough grounding in **decoding skills**
- Three powerful new research-based comprehension teaching techniques that work especially well with struggling readers: **indexing, mystery passages, and WIRC** (Writing Intensive Reading Comprehension)
- Increased coverage of **assessing for learning**, featuring a wide range of assessment instruments for reading skills, comprehension, and decoding
- Emphasis on meeting and implementing the Common Core Standards
- References to **landmark research** describing the most effective practices and information on the average percentile gains achieved when these practices are instituted
- A new **Professional Reflection** feature that appears in every chapter
