### **Editorial Review**

From the Back Cover

He is the biggest pay-per-view attraction in the world.

He is "the Baddest Dude on the Planet."

He is Brock Lesnar.

For countless fans of professional wrestling and mixed martial arts, Brock Lesnar has long been known for his freakish athleticism, mind-blowing speed, and meteoric rise to the top. Yet despite the fame and fortune that have come with his enormous success, Brock has shunned the media, choosing instead to remain intensely private about his life and his accomplishments. Now, for the first time, he tells his remarkable story in his own words, describing the journey from his South Dakota farm boy roots to the most popular pay-per-view attraction in the world.

In *Death Clutch*, Brock opens up about what it takes not only to succeed in the world's fastest-growing sport but to become the undisputed Heavyweight Champion of the World. He also speaks candidly about the illness that nearly killed him, how it changed him as a fighter and a man, and how it shaped his will to survive. In the end, Brock holds nothing back in this revealing, raw, and ultimately redemptive tale of determination and domination.
