Spelling It Out For Your Man: Insider Secrets to Sex, Love and Attraction

By Julieanne O'Connor

Once upon a time in the fairy tales, people risked it all for love and couples lived happily ever after. Then something changed. People became complacent, lazy, even oblivious and began misinterpreting the most basic forms of communication. Suddenly humans were lost and the most common happily ever after was post-break-up. Yet there was still HOPE! Based on the consistently repeated mistakes of many, Spelling It Out for Your Man offers a candid, funny and non-judgmental view of the exploration of what's really going on in the minds of men and women regarding sex and love, as well as what entices people to attract and stay attracted to one another. Julieanne O'Connor's intention is to inspire people to tap into their own sexuality, to release the need for the illusion of ownership, and to evoke the desire in everyone to open their hearts wider still.

Editorial Review

Review

"Excellent Book! The author has a tremendous understanding of how men and women think. This book should be required reading for young singles because of the insights it gives, which they might otherwise receive later in life, or not at all. The author also has a lively writing style and a sense of humor which makes the book not only informational but enjoyable."

--Robert T Johnson, Attorney, Napoleon Hill Foundation

"I enjoyed the candid and truthful insights... They spoke to me... Funny and to the point, this book praises the beautiful women we are and reminds us to revel in our beauty, sexuality, confidence, and intuition. This book isn't about 'catching' a man, rather releasing a man to be who he is and free to choose what he wants. My favorite quote: "Be willing to walk away before you arrive" - a powerful approach to relationships. Faith in our own self worth and as independent beings, deserving of exquisite love."

--Carla Moreno, Writer for The Huffington Post

"*Spelling It Out for Your Man* helped me to recognize and reflect upon some of the negative cycles and behaviors that I have fallen into in my relationship and the book offered solutions and philosophies that changed my pattern of thinking and has helped me to improve my romance."

--Robbie Gilmartin, Teacher, Coach and Author of *Enhancing Self-Esteem Through Guided Imagery*

"Julieanne O'Connor uses heart, humor and life experience to help us navigate the, often times, choppy waters of relationships. Like having a conversation with your best friend, she answers all of the questions you've ever asked (or were too embarrassed to ask) about being satisfied and happy in love. Woman or man, young or old, in love or ready to be, you will find something to relate to in *Spelling It Out for Your Man*."

--Kym, Former owner of *Central Coast News Group*.

"Julieanne has a knack for digging out the raw truth and she has no problem making you cry as long as you face your truth. She has turned both men and women around in their relationships. *Spelling It Out for Your Man* will keep you running back for her brilliant insights."

--Mark O, Devoted Husband, Father and Former Marine
