**Texas Politics** By Charldean Newell, David F. Prindle, James Riddleperger

TEXAS POLITICS is a comprehensive text that critically compares Texas government and politics to the concepts of democratic theory by using three main themes: democratic ideals, conservatism, and conflict. Boxed features in every chapter make the text engaging by providing human examples of more theoretical issues, including a "You Decide" box where students can consider the pros and cons of important topics. The text's lively presentation of material -- the authors use a conversational writing style and humor -- encourages students to consider controversial issues and debate. An intuitive organizational structure and integrated teaching tools support learning for students of all backgrounds and interest levels. A full-color design contains many new photos, cartoons, tables, and figures.

### Editorial Review

#### Review

"This textbook is well-written and thought provoking. The printing quality is excellent and the tables, photographs, cartoons and layout are appealing to the eye and they catch the reader's attention and keep it focused." -Sandy Self, J.D., Hardin-Simmons University

"I thought the authors did well in weaving in the democratic ideals of participation, majority rule, minority rights, and equality before the law." -Robert Bezdek, Texas A&M Corpus Christi

"While some texts have "good editions" and "bad editions," or lose focus over time, every edition of Kraemer that I've seen over the past twenty years has been excellent."-Ron Velten, Grayson County College

#### About the Author

Charldean Newell, a Fort Worth native (Ph.D., University of Texas at Austin), is also the co-author of THE EFFECTIVE LOCAL GOVERNMENT MANAGER (ICMA Press, 2004) and CITY EXECUTIVES (SUNY Press, 1989), and recently edited MANAGING LOCAL GOVERNMENT: CASES IN LOCAL GOVERNMENT EFFECTIVENESS (ICMA Press, 2009). She has received four national awards: honorary lifetime membership in the International City/County Management Association, the Staats Career Public Service Award from the National Association of Schools of Public Affairs and Administration, the Donald C. Stone Award in intergovernmental relations from the American Society for Public Administration, and elective membership in the National Academy of Public Administration. Her 37 years at the University of North Texas included awards from students, colleagues, and alumni.

David Prindle (Ph.D., Massachusetts Institute of Technology) has published research in the areas of voting and parties, energy policy, the presidency, and the politics of the entertainment media. His first book, PETROLEUM POLITICS AND THE TEXAS RAILROAD COMMISSION, won the V.O. Key, Jr. Award, given by the Southern Political Science Association to the best book on Southern politics. He also has written THE POLITICS OF GLAMOUR: IDEOLOGY AND DEMOCRACY IN THE SCREEN ACTORS GUILD and RISKY BUSINESS: THE POLITICAL ECONOMY OF HOLLYWOOD. Professor Prindle is a past recipient of both the Allen Shivers Award for the best teacher in the MIT Department of Government and the Harry Ransom Award for Teaching Excellence, given to the best teacher in the MIT College of Liberal Arts.

James W. Riddlesperger, Jr. (Ph.D., University of Missouri) is Professor of Political Science at Texas Christian University (TCU). A native of Denton, he has taught American politics, with interests in Texas politics, Congress, and the presidency, at TCU since 1982. An award-winning teacher, his publications include the co-edited PRESIDENTIAL LEADERSHIP AND CIVIL RIGHTS POLICY (Greenwood Press, 1995), winner of the Aaron Wildavsky book award. A frequent consultant to the news media concerning politics and elections, he also serves as a question leader and a faculty consultant to the College Board's AP U.S. Government exam.

**Lillian Kea:**

As a pupil exactly feel bored for you to reading. If their teacher questioned them to go to the library or even make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the professor want, like asked to the library. They go to generally there but nothing reading really. Any students feel that examining is not important, boring and can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Texas Politics can make you really feel more interested to read.
