### Ötzi the Iceman (Digging Up the Past) By Amanda Langer

Every new and groundbreaking archaeological discovery refines our understanding of human history. This title examines the study of Ötzi the iceman. The book explores what scientists know about Ötzi's life, traces his discovery and the subsequent scientific investigation, and discusses future study and conservation efforts. Well-placed sidebars, vivid photos, helpful maps, and a glossary enhance readers' understanding of the topic. Additional features include a table of contents, a selected bibliography, source notes, and an index, plus a timeline and essential facts. Aligned to Common Core standards and correlated to state standards. Essential Library is an imprint of Abdo Publishing, a division of ABDO.

### Editorial Review

From School Library Journal

Gr 7 Up-As the series title promises, these books "dig up" the general and archaeological histories of some of the world's most iconic locations. The authors trace the archaeological history of each site, from early digs for artifacts to current preservation efforts; explain how archaeologists have expanded our knowledge and understanding of the site or society; and discuss its historical significance. The text is supplemented with a location map and sidebar biographical sketches of archaeologists and information about related topics.

Average-quality photos and illustrations are a mixture of contemporary location shots and historical archaeological digs, but more depictions of the archaeological process would have been useful. These books lack the visual appeal of World Book's "Enigmas of History," but there is minimal overlap in topics, and these books' well-written and informative perspective about how archaeology contributes to historical knowledge makes them good choices for secondary libraries. ©(c) Copyright 2014. ### Users Review

From reader reviews:

**Thanh Johnson:**

Information is provisions for individuals to get better life, information nowadays can get by anyone with everywhere. The information can be a know-how or any news even an issue. What people must be consider while those information which is within the former life are hard to be find than now is taking seriously which one is appropriate to believe or which one often the resource are convinced. If you receive the unstable resource then you buy it as your main information you will see huge disadvantage for you. All those possibilities will not happen in you if you take Ötzi the Iceman (Digging Up the Past) as the daily resource information.

**William Wright:**

The guide untitled Ötzi the Iceman (Digging Up the Past) is the guide that recommended to you to read. You can see the quality of the publication content that will be shown to a person. The language that article author use to explained their way of doing something is easily to understand. The article author was did a lot of investigation when write the book, to ensure the information that they share to your account is absolutely accurate. You also could possibly get the e-book of Ötzi the Iceman (Digging Up the Past) from the publisher to make you a lot more enjoy free time.

**Wilma Tovar:**

This Ötzi the Iceman (Digging Up the Past) is new way for you who has attention to look for some information given it relief your hunger details. Getting deeper you onto it getting knowledge more you know or perhaps you who still having tiny amount of digest in reading this Ötzi the Iceman (Digging Up the Past) can be the light food for yourself because the information inside this specific book is easy to get by means of

anyone. These books create itself in the form and that is reachable by anyone, sure I mean in the e-book type. People who think that in e-book form make them feel drowsy even dizzy this e-book is the answer. So there is no in reading a e-book especially this one. You can find actually looking for. It should be here for a person. So , don't miss that! Just read this e-book kind for your better life as well as knowledge.

**Victor Elias:**

As a scholar exactly feel bored to help reading. If their teacher expected them to go to the library as well as to make summary for some guide, they are complained. Just tiny students that has reading's internal or real their hobby. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Ötzi the Iceman (Digging Up the Past) can make you feel more interested to read.
