Editorial Review

Review

It's a special pleasure to have this lovely and idiosyncratic book available in audio format. The reading by Patrick Cullen is fine. --*AudioFile*

Cullen maintains a mild, professional tone, appropriate to Thoreau's contemplations. Much of what [Thoreau] has to say still rings true in our century, and his deep sense of time and nature transcends the ages. --*KLIATT*

About the Author

Henry David Thoreau was an American author, poet, and philosopher, who is best known for his works *Walden* and *Civil Disobedience*, in which he espoused the need to morally resist the actions of an unjust state. Thoreau's work heavily reflects the ideologies of the American transcendentalists, and he has long been considered a leading figure in the movement along with Ralph Waldo Emerson, Bronson Alcott, and, at first, Nathaniel Hawthorne (who changed his views later in life). In addition to his writing, which totaled more than twenty volumes, Thoreau was an active abolitionist, and lectured regularly against the Fugitive Slave Law. Thoreau died in 1862, and is buried along with Louisa May Alcott, Ellery Channing, and other notable Americans in Sleepy Hollow Cemetery in Concord, Massachusetts.

Users Review

From reader reviews:

Ruth Michel:

Nowadays reading books is not just a hobby or a pastime, but also a way of life. This reading routine gives you a lot of advantages. Associate programs you get of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The details you get based on what kind of publication you read, if you want to attract knowledge just go with knowledge books but if you want an experience happy read one with a theme for entertainment including comic or novel. The actual *A week on the Concord and Merrimack Rivers* is kind of a reserve which is giving the reader a capricious experience.
