Angels By Marian Keyes

The internationally bestselling author of *Last Chance Saloon*, the incomparable Marian Keyes is back with a delirious celebration of life, love, and sisterhood in La-La Land. The only one of her siblings not burdened with the "diva gene," Maggie Walsh always prided herself on her normalcy -- until she caught her irreproachable husband having an affair and was sacked from her dependable job. Suddenly her perfectly organized existence has become a perfect mess. Rather than stew in her sorrow, she decides, for the first time in her life, to do something daring -- and flees to the shelter of her best friend Emily in the faraway wonderland of Los Angeles. In this mecca of tanned, beautiful bodies, unsvelte, uncool Maggie is decidedly a fish out of water. Yet overnight, she's mixing with film folk, pitching scripts, even experimenting with sex -- and discovering that the end of a marriage is not the end of everything. And before she's through, neither the City of Angels nor Maggie Walsh will ever be the same again.
