## Carnal Harvest By Robin L. Rotham

Thanks to his spectacular ATV crash and lengthy convalescence, Hake Stivers missed out on a lot this fall—harvesting his crops, caring for his cattle, and most of all, giving his kinky little wife the kind of loving she deserves.

In an effort to ease his feelings of inadequacy and reward Mandy for helping out with chores, Hake asks his cousin Brent for a daring favor. Later that day, Brent and his friend Joe show up to fulfill Mandy's edgiest submission fantasies while Hake watches from the sidelines.

But someone knows the truth—it's not Mandy but Hake who needs to have his control stripped away, and that someone is determined to see that Hake gets exactly what he needs...whether he wants it or not.

Reader Advisory: You want it hot enough to sizzle and burn? Then Carnal Harvest has what you're looking for. A super-hot ménage involving four participants—three men and one woman—as well as some scenes of male/male sex, voyeurism, mild bondage, spanking and a highly erotic fantasy scene of "forced" sex.

Reader Advisory: This story has graphic sexual language and scenes - no closed bedroom doors (or other rooms) here!
