**From Curses to Blessings: Removing Generational Curses** By Ken Harrington, Jeanne Harrington

From Curses to Blessings takes readers through a thorough teaching on the various causes that allow curses to enter our lives, including generational patterns and personal sin. The authors give substantial scriptural support to their message, along with lists of demonic spirits associated with various sins and prayers for freedom. Since the material covers the full range from murder and prostituting oneself to the way one speaks about one's neighbor or thinks about one's spouse, all believers will be able to find something to apply to their lives to gain greater freedom. The final chapters include faith-building material on how to release God's blessings into our lives.

Many of us probably feel that 'curses' is a very spooky word. We tend to think of curses as something dark and evil that God would never be part of. However, in recognizing the vast difference between punishment and consequences, Ken and Jeannie provide real insight into the 'value' that we can gain by identifying and dealing with the evidence of curses (pronounced by God!) in our lives. Backed by scripture and laced with personal testimonies, this book provides biblically based, practical steps that anyone, regardless of where they are in their Christian walk, can take to gain freedom from the consequences of curses operating in their lives. Having been one of Ken and Jeannie's early Guinea Pigs during the development of their Curses to Blessings seminar, I can whole-heartedly endorse both their character, and the value and effectiveness of this teaching.
