Hardboiled Web Design By Andy Clarke

If you?ve been working on the web for a while, your bookshelves may already be buckling under the weight of books about HTML and CSS. Do you really need another one?

Hardboiled Web Design is different. It?s for people who want to understand why, when and how to use the latest HTML5 and CSS3 technologies in their everyday work. Not tomorrow or next week, but today. It won?t teach you the basics of writing markup or CSS, but if you?re hungry to learn about how the latest technologies and techniques will make your websites and applications more creative, flexible and adaptable, then this is the book for you.

Are you ready to get hardboiled?

Foreword by Jeffrey Zeldman
