**The Psychology of Dexter (Psychology of Popular Culture)** By Bella DePaulo

Aimed at *Dexter* devotees and armchair psychologists, *The Psychology of Dexter* takes on the psychological complexities of the popular series with an eye towards insight and accessibility. It analyzes not just the title character, but his family, coworkers, and even his viewers. What makes Dexter tick? And what makes a show about a serial killer so appealing to those of us at home?

From the implications of faking normalcy (could it be behind Dexter's still-in-progress emotional growth?) to where the show weighs in on the psychological debate between nature and nurture, *The Psychology of Dexter* gives fans a peek inside Dexter's—and Dexter's—psyche.
