From classic literature to contemporary celebrities, statements from other Scorpions underscore your natural tendencies. It goes beyond coincidence that Scorpio claims more U.S. Presidents and First Ladies than any other zodiac sign; the White House satisfies the Scorpio instinct for power. Scorpio ranks second among zodiac signs for actress Oscars, reflecting the Scorpionic mix of magnetism and subtlety. Underlying sexuality makes it easy to present a list of famous Scorpions identified primarily with sex. "I'm a Scorpio, and I'm run by my libido. So I am a very sexually oriented person. But I don't think of myself as sexy." -- Scorpio singer k.d. lang, born 11/2/1961
