Every Tuesday Castle Glower takes on a life of its own—magically inventing, moving, and even completely getting rid of some of its rooms. Good thing Princess Celie takes the time to map out these never-ending changes. ### **Editorial Review**

#### **Review**

Castle Glower is the true star of this charming story of court intrigue and magic. A satisfying mix of Hogwarts and Howl's Moving Castle, Castle Glower helps its true citizens, but never at the expense of plot or character development ... Adventure stories fans will enjoy this as much as children who wear their wizard cloaks proudly SLJ
