The Grapho-Deck Handwriting Analysis Cards are that perfect GIFT that everyone loves, it's hard to find so it's unique, no one EVERY discards it, and you can have fun with it as soon as it is opened. I keep some on hand all year round just for that unexpected gift to give at the last moment!" --- Karen Townsend, Atlanta, GA

"I teach a variety of handwriting analysis classes and I always have my own grapho-deck available for the students to look at, plus additional ones for sale. The grapho-deck is a required resource in my 6 hour 'introduction' class which meets for 2 separate evenings a week apart. Your deck is an incredibly well designed product that gives the students a practical tool they can begin using right away. Plus, at the same time they are learning the traits, they are also beginning to learn how to do a simple analysis. We refer to the cards extensively during class, and their assignment for the week between the two sessions is to use the cards to analyze one of the samples provided in the first session. They're always amazed at how easy the deck is to use and how quickly they can learn the basics . Thank you for a great product at a wonderfully inexpensive price!!" ---- Katie Darden, California

"I just want to congratulate you on inventing the Grapho-Deck. I have been getting a 80% - 100% accuracy approval rating from just the cards... they are incredible." -- --Carmine Alessandro, Tuloka Lake, CA
