### Cities of the Dead By Joseph Roach

The colorful handmade costumes of beads and feathers swirl frenetically, as the Mardi Gras Indians dance through the streets of New Orleans in remembrance of a widely disputed cultural heritage. Iroquois Indians visit London in the early part of the eighteenth century and give birth to the "feathered people" in the British popular imagination.

What do these seemingly disparate strands of culture share over three hundred years and several thousand miles of ocean? Artfully interweaving theatrical, musical, and ritual performance from the eighteenth century to the present in London and New Orleans, *Cities of the Dead* takes a look at a rich continuum of intercultural exchange that reinvents, recreates, and restores history.

Complemented with fifty-five illustrations, including spectacular photos of the famed Mardi Gras Indians, this fascinating work employs an entirely unique approach to the study of culture. Rather than focusing on one region, *Cities of the Dead* explores broad cultural connections over place and time, showing through myriad examples how performance can revise the unwritten past.

## Editorial Review

### Review

This . . . exploration of Atlantic rim performance cultures restores the centrality of memory and gesture, profession and surrogation-the invention of a modern world out of the forcible destruction of the old-to the diasporic and genocidal histories of Africa, the Americas, and Europe. . . .Roach pursues a pathbreaking version of cultural history.

### Review

*Cities of the Dead* is going to be one of the most important books of the decade. It will have a profound and significant impact on the areas of cultural studies, performance studies, and literary criticism and theory. It will be on the list of the dozen significant studies of race and culture in the West of the last fifty years.

(Emory Elliott, University of California, Riverside)

This... exploration of Atlantic rim performance cultures restores the centrality of memory and gesture, profession and surrogation-the invention of a modern world out of the forcible destruction of the old-to the diasporic and genocidal histories of Africa, the Americas, and Europe....Roach pursues a pathbreaking version of cultural history.

(Eric Lott, author of *Love and Theft: The Blackface Minstrelsy and the American Working Class*)

### About the Author

Joseph Roach is professor of English at Tulane University. He is the author of *The Player's Passion: Studies in the Science of Acting*, which won the Barnard Hewitt Award, and coeditor, with Janelee Reinelt, of *Critical Theory and Performance*.

## Users Review

### From reader reviews:

#### John Reed:

As people who live in the modest era should be change about what going on or details even knowledge to make them keep up with the era that is always change and move forward. Some of you maybe may update themselves by reading books. It is a good choice in your case but the problems coming to anyone is you don't know what one you should start with. This Cities of the Dead is our recommendation to help you keep up with the world. Why, since this book serves what you want and need in this era.

#### Jacquelyn Lopez:

Nowadays reading books are more than want or need but also turn into a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge the rest of the information

inside the book in which improve your knowledge and information. The information you get based on what kind of guide you read, if you want get more knowledge just go with knowledge books but if you want sense happy read one using theme for entertaining for instance comic or novel. Often the Cities of the Dead is kind of e-book which is giving the reader erratic experience.

#### **John Whetstone:**

Reading a guide tends to be new life style in this era globalization. With reading through you can get a lot of information that can give you benefit in your life. Along with book everyone in this world may share their idea. Guides can also inspire a lot of people. A lot of author can inspire their own reader with their story as well as their experience. Not only the storyline that share in the ebooks. But also they write about the ability about something that you need illustration. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors these days always try to improve their skill in writing, they also doing some analysis before they write to their book. One of them is this Cities of the Dead.

#### **John Street:**

Typically the book Cities of the Dead has a lot associated with on it. So when you check out this book you can get a lot of profit. The book was authored by the very famous author. Tom makes some research just before write this book. This kind of book very easy to read you can obtain the point easily after looking over this book.
