Thank you Kris, for another valuable book. One sign of a great teacher is that they walk the path of revelation yet know how to make the message easy to understand and apply so that others can walk there also. That is the gift that makes Bethel so valuable as a school and it comes largely from you Kris and Bill Johnson knowing how to take us with you on your journey. Please keep walking and talking and writing! -- -
-Dr. Lance Wallnau, Pastor and author

Developing a Supernatural Lifestyle will make you glad, mad, or sad. It will truly impact you and you will not be able to read it without a reaction and response! Personally, it made me very, very glad! I so resonate with its message. It is like a sword that pierces through the deep places of the soul exposing, sifting, and analyzing. This is an outstanding, outrageous book...a prophetic manuscript... an apostolic blueprint. Thanks, Kris, for your great courage to communicate mysteries that many are longing to understand.
--Patricia King, Extreme Prophetic
