**Gregor And The Marks Of Secret (Underland Chronicles, Book 4)** By Suzanne Collins

Follow Gregor in the fourth enthralling adventure in Suzanne Collins' New York Times bestselling Underland Chronicles -- with gorgeous new cover art coming July 1st!

In Book 4 of the bestselling Underland Chronicles, Gregor is drawn ever deeper into a brewing crisis. For generations, rats have run the mice out of whatever lands they've claimed, keeping them constantly on the move. But now the mice are disappearing and the young queen Luxa is determined to find out why.

Gregor and Boots join Luxa on a simple fact-finding mission. But when the true fate of the mice is revealed, it is something far more sinister than they had imagined -- and it points the way to the final prophecy Gregor has yet to fulfill. His abilities are put to the test in this suspenseful, action-packed penultimate installment of Suzanne Collins's thrilling Underland Chronicles.

### Editorial Review

From School Library Journal

Grade 5-8—No good deed goes unpunished in the fourth installment in the popular series. Gregor and his sister Boots are regular visitors to Underland, where their mother is slowly recovering from injuries incurred in the previous episode. Gregor is supposed to be studying echolocation with his rat friend, Ripred the Gnawer, but he's doing very badly. Ripred has his own problems, largest of which is Bane, the once-sweet little baby Gnawer whom the protagonist refused to kill in *Gregor and the Prophecy of Bane* (Scholastic, 2004). Bane, now a half-grown monster of a rat, is surprisingly charismatic yet emotionally stunted and easily controlled by the forces of evil. When Queen Luxa gets a message that the mice that saved her life in the jungle are in trouble, she and Gregor head out to investigate, accompanied by her cousin Howard, several bats, Gregor's sisters, and a brave cockroach named Temp. The breathless pace, intense drama, and extraordinary challenges will leave fans clamoring for the conclusion of this fine series.—*Mara Alpert, Los Angeles Public Library*

### Review

#### Kirkus Starred

In this penultimate volume in "The Underland Chronicles," Collins begins to gather herself for the grand finale. Gregor has been taking echolocation lessons with Ripred, the charismatic and violent outlaw rat, and after one session he introduces Gregor to Bane, the white-rat pup Gregor spared in defiance of prophecy (*Gregor and the Prophecy of Bane*, 2004). Bane is now some eight feet tall and still growing, and thoroughly, dangerously mad. Shortly after this introduction, both Ripred and Bane go missing, and Queen Luxa discovers that mice who succored her in the jungle (*Gregor and the Curse of the Warmbloods*, 2005) have also disappeared, leaving only one enigmatic Mark and Hazard, Gregor's little sister Boots and the faithful cockroach Tornp. A customarily eventful trip through Hades Hall to the Firelands leads the band to both the mice and Bane, who has his own Final Solution in mind for the entire mouse race. The cliffhanger ending will leave readers gasping as Gregor goes chasing another prophecy, the direst yet.

### About the Author

Suzanne Collins' debut novel, *Gregor the Overlander*, the first book in The Underland Chronicles, received wide praise both in the United States and abroad. The series has been a New York Times bestseller and received numerous accolades. Also a writer for children's television, Suzanne lives with her family in Connecticut.
