The Politics (Penguin Classics) By Aristotle

"Man is by nature a political animal"

In *The Politics* Aristotle addresses the questions that lie at the heart of political science. How should society be ordered to ensure the happiness of the individual? Which forms of government are best and how should they be maintained? By analysing a range of city constitutions – oligarchies, democracies and tyrannies – he seeks to establish the strengths and weaknesses of each system to decide which are the most effective, in theory and in practice. A hugely significant work, which has influenced thinkers as diverse as Aquinas and Machiavelli, *The Politics* remains an outstanding commentary on fundamental political issues and concerns, and provides fascinating insights into the workings and attitudes of the Greek city-state.

The introductions by T. A. Sinclair and Trevor J. Saunders discuss the influence of *The Politics* on philosophers, its modern relevance and Aristotle's political beliefs. This edition contains Greek and English glossaries, and a bibliography for further reading.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Editorial Review

About the Author

Aristotle was born at Stageira, in the dominion of the kings of Macedonia, in 384 BC. For twenty years he studied at Athens in the Academy of Plato, on whose death in 347 he left, and, some time later, became tutor of the young Alexander the Great. When Alexander succeeded to the throne of Macedonia in 335, Aristotle returned to Athens and established his school and research institute, the Lyceum, to which his great erudition attracted a large number of scholars. After Alexander's death in 323, anti-Macedonian feeling drove Aristotle out of Athens, and he fled to Chalcis in Euboea, where he died in 322. His writings, which were of extraordinary range, profoundly affected the whole course of ancient and medieval philosophy, and they are still eagerly studied and debated by philosophers today. Very many of them have survived and among the most famous are the *Ethics* and the *Politics*.

Trevor J. Saunders has translated many volumes of Plato for the Penguin Classics.

Users Review

From reader reviews:

Amy Sims:

Playing with family in a park, coming to see the coastal world or hanging out with buddies is thing that usually you could have done when you have spare time, in that case why you don't try factor that really opposite from that. 1 activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love The Politics (Penguin Classics), you could enjoy both. It is very good combination right, you still wish to miss it? What kind of hangout type is it? Oh occur its mind hangout people. What? Still don't get it, oh come on its referred to as reading friends.

John McCraw:

This The Politics (Penguin Classics) is great reserve for you because the content that is certainly full of information for you who else always deal with world and still have to make decision every minute. This particular book reveal it details accurately using great organize word or we can say no rambling sentences included. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but tricky core information with splendid delivering sentences. Having The Politics (Penguin Classics) in your hand like getting the world in your arm, details in it is not ridiculous a single. We can say that no book that offer you world throughout ten or fifteen second right but this guide already do that. So , it is good reading book. Hey there Mr. and Mrs. busy do you still doubt that will?

Ida Green:

Reading a book to get new life style in this calendar year; every people loves to learn a book. When you learn a book you can get a lots of benefit. When you read publications, you can improve your knowledge, since book has a lot of information onto it. The information that you will get depend on what kinds of book

that you have read. If you want to get information about your research, you can read education books, but if you want to entertain yourself you are able to a fiction books, these kinds of us novel, comics, along with soon. The The Politics (Penguin Classics) provide you with a new experience in reading through a book.

Travis Pope:

A lot of e-book has printed but it is unique. You can get it by world wide web on social media. You can choose the very best book for you, science, comedy, novel, or whatever simply by searching from it. It is called of book The Politics (Penguin Classics). You can include your knowledge by it. Without departing the printed book, it might add your knowledge and make an individual happier to read. It is most essential that, you must aware about publication. It can bring you from one place to other place.
