Adobe Premiere Pro CS6 Classroom in a Book By Adobe Creative Team

Those creative professionals seeking the fastest, easiest, most comprehensive way to learn Adobe Premiere Pro CS6 choose *Adobe Premiere Pro CS6 Classroom in a Book* from the Adobe Creative Team at Adobe Press. The 19 project-based lessons in this book show readers step-by-step the key techniques for working in Premiere Pro CS6. Readers learn to take a project from beginning to end where they'll get the basics on things like organizing media, using audio, creating transitions, producing titles, and adding effects. Once they have the basics down, they'll learn how to take their projects further by sweetening and mixing sound, compositing the footage, adjusting color, using multicamera editing techniques, authoring DVDs, and much more.

This completely revised CS6 edition covers new features, including the Warp Stabilizer effect for stabilizing uneven, shaky footage. Powerful new trimming techniques are explored in detail and an entire chapter covers the new expanded multicamera editing features. The new interface in Adobe Premiere Pro 6 offers many new capabilities to the editor who needs quick results and this book covers the workflows required to get the job done. Best of all, the companion DVD includes lesson files so readers can work step-by-step along with the book.

“The Classroom in a Book series is by far the best training material on the market. Everything you need to master the software is included: clear explanations of each lesson, step-by-step instructions, and the project files for the students.” —Barbara Binder, Adobe Certified Instructor, Rocky Mountain Training

Classroom in a Book®, the best-selling series of hands-on software training workbooks, helps you learn the features of Adobe software quickly and easily. Classroom in a Book offers what no other book or training program does—an official training series from Adobe Systems Incorporated, developed with the support of Adobe product experts.
